

The Bed MadeEZ Lifts And Holds Any Size Mattress

## Bed MadeEZ® Bed Maker

The Bed MadeEZ Takes The Pain Out of Making A Bed

No one likes making a bed but some people really must have help with bed making.

- The 66 million people in the U.S. suffering with arthritis and osteoporosis.
- The 19 million Americans using health or mobility aids to live and independent lifestyle.
- The 6 million pregnant women in the U.S.(women are restricted from lifting <25lbs. during and immediately after pregnancy).
- Nurses and caregivers, who top the list of occupations most at risk of back injuries.

Made of recyclable, durable polypropylene, the Bed MadeEZ does all the lifting, eliminating strain to the back and shoulders when changing linens. With its ergonomic design it effortlessly lifts the mattress as the device is inserted between the mattress and box spring and holds it in an elevated position giving ample room to tuck in sheets and blankets.

And the nifty tool does a lot more than that. Use it to tuck in sheets, place bed skirts and it even makes removing sheets a breeze. Made in the USA. Buy as a single unit or as a bed making kit.

The kit contains:  
2 - Bed Makers  
1 - Storage Bag

Videos and supporting POS material available
