

CADENCE KEEN INNOVATIONS

Sleep Defender® Clean Room Accessories

Encasements To Protect Every Sleeping Surface In The Room

Pillows, even when covered by a pillowcase, collect body oils, skin flakes, perspiration and drool, which attract odor-causing bacteria, molds, mildews and dust mites, a leading cause of allergies and asthma. Ensure that your guests always awaken feeling fresh and allergen free with our full line of encasements. Each features a high quality polyester interlock that provides a cool, comfortable, quiet sleeping surface for guests. Backed with the industry's best waterproof, PU film barrier, the Sleep Defenders protect against liquids, stains, dust mites, bed bugs, viruses, bacteria and molds and can double the usable life of your investments. Create a truly hypallergenic environment easily.

Features & Benefits

HYPOALLERGENIC ENCASEMENTS FOR PILLOW, DUVETS AND ANY SIZE MATTRESS
